How it *works*

Room fee + food & drink minimum

The room fee holds the space. The minimum is what you and your guests spend with us on food and drinks: house catering, a host tab, and your guests' own drinks at the bar all count. If spending comes in under the minimum, the difference is billed as room fee.

4-hour event

Every price covers 4 hours of event time, plus 1 hour to set up and 1 hour to break down.

Service charge & tax

A 20% service charge applies to food and drinks (not to the room fee), plus 8% Cuyahoga County sales tax.

Included with every room

- Tables & chairs, set up for your event
- Sound system + wireless mic
- TVs with HDMI hookup (Cloud Room & Main Bar)
- 1 hour to set up + 1 hour to break down

The black linens and chair covers in our photos are an add-on.

From our kitchen

House buffets from **\$22 per person**, in three tiers (\$22 · \$30 · \$42), built from our kitchen's menu. 25-guest minimum. Your full menu comes with your quote.

Bar options

- A host tab: prepay any amount from \$300. When it runs out, switch to a cash bar or top it up.
- Drink tickets, or a cash bar where guests buy their own.
- A champagne toast, priced by the glass.
- Bottle service in a VIP section.

Ohio law doesn't allow any outside alcohol on our premises (champagne for the toast included) or unlimited-drink packages, so every drink is poured by our bartenders at our posted prices.

Your own food & cake

- **Cake & desserts.** Welcome from any bakery or licensed home baker. We cut and plate for \$1.50 per guest, or you cut and serve for \$35 flat (plates, utensils, cleanup).
- **Food from a restaurant or caterer.** Welcome from any licensed restaurant or caterer. \$5 per guest (\$150 minimum), waived for repasses. Caterers bring their own chafers and servers, our kitchen stays closed to outside food, and caterers send us a certificate of insurance. All food and trash leaves with you.
- **Homemade dishes.** Please ask before you plan on them. County health rules limit home-cooked food inside a licensed restaurant, and we'll tell you exactly what's allowed.

No outside alcohol of any kind.

Policies

Holding your date

A booking deposit of 50% of the room fee plus the food & drink minimum (at least \$250). It's non-refundable and credited to your bill. The balance and your final headcount are due 7 days before the event, and we keep a card on file for the bar tab and anything extra.

Damage deposit

Yes, refundable: \$250 for a room, \$500 for the Full Lifestyle, DJ parties and teen parties. It comes back within 10 business days after we check the room.

Cancellation

30 or more days out: we keep the deposit, and you can move your date once within 6 months. Under 30 days: the full room fee and minimum are owed. If we ever have to cancel, you get a full refund.

DJs, decorators & vendors

Yes. DJs, decorators and other vendors are welcome with a certificate of insurance (\$1M general liability) naming LA BOLD LLC, sent 7 days before. Setup and breakdown fit inside your included hours. No confetti, glitter, open flame, or anything taped or nailed to the walls.

Event insurance

A one-day \$1M event liability policy is required for Full Lifestyle buyouts, DJ parties, teen parties and events with outside caterers. It usually costs \$75-\$175 online. We recommend it for everything else.

End times

Evening events end by 1:00 am. Teen parties end by 10:00 pm. Extra hours are priced per room.

Security

Daytime event ending by 8 pm, 50 guests or fewer	Not required. Our manager checks IDs at the bar.
Alcohol with 51-100 guests, any DJ party, or anything past 10 pm	1 guard per 50 guests, minimum 2
Full Lifestyle buyout or 100+ guests	1 guard per 50 guests (usually 4)
Teen parties	2 guards
Ticketed, cover-charge or promoter nights	Talk to us first: Euclid requires a city permit and police officers for public dances.

We book all security through a licensed company (unarmed) and add it to your bill at \$40 per guard per hour, 4-hour minimum. Outside security isn't permitted.

Age rules

- The person who signs the contract must be 21+ (25+ for DJ parties and teen parties) and stay on site for the whole event.
- All ages are welcome at family events. Guests 21+ show ID for a wristband, and the bar serves wristbands only. No one under 21 is served, even with a parent.
- Teen parties: 1 adult (21+) for every 10 teens, no bar in the teen room, ends by 10 pm, and teens leave with a parent or an approved adult.
- DJ, promoter and ticketed nights are 21+ only.
